

As you are likely aware, Equifax recently announced a breach of their data base impacting approximately 143 million consumers. Please review the below link which provides specific information from Equifax, including a link to their website where consumers can determine if they are impacted. The site also provides additional steps recommended by the FTC.

Please note that Pinnacle Bank does not currently conduct business with Equifax, or during the disclosed timeframe breach.

FTC - Consumer Information - The Equifax Data Breach: What to Do
